Hon. C. C. Timmons,
Government Secretary,
St. Thomas, V. I.

S i r :

The Commissioner takes the opportunity to thank you for the kind cooperation given this Service with a view to preventing the landing at St. Thomas of the alien ROBERT MORRIS, a member of the French SS "C-47".

Your action in this case is especially appreciated as you have undertaken to arrange for special safeguards to meet the existing emergency due to the absence of an immigrant inspector.

Very respectfully,

Commissioner.
